Serial No

to the Chief Secretary and received from the A & I Branch are also put up

22) Prior to the reconstruction of the Corporation handloom goods were exempt from liability to octroi as all the Municipalities including Bijar city as per instructions issued in G.O. No. L 326-38/pt 85-39-B dated 10.7.39

23) Handloom industry is one important cottage industry in view of the present economic depression and the competition it has to face from mills and power looms, their exemption will greatly help the Special Commissioner and the Govt and the Local bodies alone if it should exercise. The Dy. Director of Industries recommends keeping the exemption of these goods from octroi in the Bijar Corporation which constitutes a principal marketing centre for these goods

24) There is no provision in the Corporation Act to grant any such exemption from octroi. The Corporation to whom the matter was referred

Serial No

has not agreed to the grant of any such exemption perhaps leading a heavy loss of income. Unless the Corporation should agree to such an exemption, it is not even possible to discuss a way out of the legal difficulties. Thus the position is that although the Govt have considered on the previous representations of the members that their request deserves sympathetic consideration, it has not been possible to do anything tangible for them.

25) In view of the above difficulties, it may be necessary and desirable to take power to Govt to grant exemptions from Municipal taxes or special circumstances by amending suitably the relevant provisions of the Corporation Act. This is for orders

A

26) If such an exemption amendment is should be considered necessary and is approved, the same will be considered along with the Commissioner's proposals for the amendment of the Corporation Act.

27) Submitted for orders.

Deputy Mayor.

"COPY"

FOR COMMISSIONER

MKR/-

DEPARTMENT OF INFORMATION.

Name of Paper Date 195

Copy of office note dated 11th December 1951.

Subject:- Exemption from payment of octroi duty in respect of hand-loom goods.

Letters (1) dated 6-10-51 from the Secretary to Government, L.S.G.Department forwarding the representation from the Hand-loom weavers of Channapatna.

(2) Extract from Janavani dated 8-10-51 on the subject and (3) letter dated 22-10-51 from the Director of Industries and Commerce (Textile) in Mysore - Notes of the Octroi Supt. (City) and Town Duty Supt. (Civil Station).

In accordance with the provisions of the Old City and Civil Station bye-laws the hand spun and hand woven goods were exempt from payment of the octroi. Other hand loom goods were however subject to payment of octroi in the Civil Station, eventhough in the City area such of the hand loom goods as had obtained the certificate from the Weaving Demonstrator were exempt. In the Corporation Act of 1949, there is no provision at all for exemption of any kind of goods and as such the payment of octroi has to be insisted on, in respect of all kinds of goods whether, hand-spun, hand woven or hand loom goods.

The aforesaid goods having enjoyed exemption all these days it is but fair that exemption should be continued. As regards hand loom goods, it is a very important industry in the Mysore state and every support and encouragement is bound to be given.

The receipt under 'Hand Loom Goods' is included under the General head 'Piece goods and average receipts of the past three years under "Piece Goods" work out to about Rs.8,80,000/- per year. The receipts under "hand-loom" may work out to about three lakhs of rupees.

The question whether in the interests of the hand-loom Industry, these goods may be exempted from payment of the Octroi and the Government requested to make necessary amendments in the Act is placed before the Standing Committee (Taxation & Finance) and the Corporation for consideration.

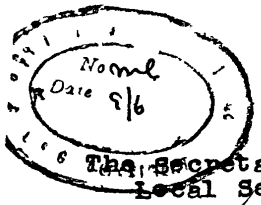
THE MYSORE CHAMBER OF COMMERCE

BANGALORE

31st May 1952



The Secretary to Government,
Local Self Government Department,
Bangalore

Dear Sir,

I am directed to forward herewith a copy of letter of date addressed to the Commissioner, Bangalore Corporation, requesting to cancel the levy of Octroi recently imposed by them on the handloom products and to request that the Government may be pleased to consider the representation favourably

Yours faithfully,

Secretary,

THE MYSORE CHAMBER OF COMMERCE

TELEPHONE 2226

KEMPEGOWDA ROAD
BANGALORE 1

Dated 31st May 1952

The Commissioner,
Corporation of the City of Bangalore,
Bangalore

Dear Sir,

Re Octroi on Handloom Products

It has been represented to the Chamber that the Bangalore Corporation have very recently imposed octroi on handloom goods (both silk and cotton) The Committee of the Chamber having considered this subject in detail at its last Meeting resolved to protest against this fresh levy The Chamber has been urging both to the Government and the Corporation time and again for the complete abolition of the octroi and the Government representative has on many occasion promised to consider the question favourably The question became more serious after the Sales Tax was introduced in the State When it has been realised that octroi is an obnoxious levy, and when it is the declared policy of the Government of Mysore to give all possible encouragement to cottage industries, it is really surprising that the Corporation should have thought of imposing octroi on handloom products It is hardly necessary to state that the handloom industry has been greatly hit by the recent slump in prices and any fresh levy on these goods, which have no established market, is bound to ruin the industry resulting in unemployment among weavers Handloom goods cannot compete with mill-made cloth both in quality and price This being so, the octroi increases the price of handloom goods

The Committee requests that the Corporation would be pleased to consider the question de novo in the light of the above facts and cancel their order to levy octroi on handloom products

Yours faithfully,

G. W. Secretary

Ref No 18-21/52-53

Date 6-6-1952.

To

The Hon'ble Minister for Local Self-Government,
Government of Mysore,
Bangalore.

Sir,

Re the levy of Octroi duty by the Bangalore Corporation
Hand-Loom Silk goods

Secy. LSG
Go thro a fact ?
9/6/52
1952
Dy
Dy
8. MAS

We, the President and Members of the Managing Committee of the above Association wish to represent that at the Meeting of the Managing Committee of our Association held on 5-6-52, it was resolve to protest against the recent levy of Octroi duty by the Bangalore Corporation on Hand-Loom Silk goods since the Hand-Loom goods are products of ill-developed cottage industry, the exemption from the levy of Octroi duty existing since several years and since the present levy will hit the Hand-Loom Cottage Industry to a very large extent It was further resolved that the Members of the Managing Committee of our Association should wait on deputation on the Mayor, Commissioner of the Corporation, Hon'ble Ministers for Local Self-Government and Industries and to urge on the abolition of the Octroi duty entirely

In this connection, we wish to bring to your kind notice that when the Notification was published in the local newspapers during the month of September 1950 regarding the levy of certain taxes and duties by the Bangalore Corporation with effect from 1-10-1950, the

P T.O

the said Notification was discussed at the Meeting of the Managing Committee of our Association and it was resolved that the Commissioner of the Corporation may be addressed regarding the following

1 While this Association is urging for the abolition of Octroi duty completely, the Corporation had levied Octroi duty on several new items which were till then free of octroi duty and requests that the octroi duty should be abolished completely

2 The Hand-Loom silk goods woven with silk are mixture of silk should be exempted from the levy of octroi duty as hitherto being exempted

Accordingly, the Commissioner of the Corporation was addressed by the Secretary of our Association in the matter (vide letter No 29/ 50-51 dated 31-10-50) requesting to move the Corporation not to levy duty on any of the new items and to recommend for the complete abolition of Octroi duty

The Secretary, The Mysore Chamber of Commerce, Bangalore, has also since addressed the Commissioner, Corporation of the City of Bangalore (vide letter No 370/ 52 dated 31-5-52) communicating the decision of the Chamber to protest against the fresh levy in question and requesting that the Corporation would be pleased to consider the question de nove in the light of the facts stated in his letter and to cancel their order to levy Octroi duty on Hand-Loom products

In these circumstances, we request you to be so good as to direct the Corporation to cancel their order to levy Octroi on Hand-Loom products and for the abolition of Octroi duty entirely

Thanking you,

Yours faithfully,

President

To

The Hon'ble Minister for Industries,
Government of Mysore,
Bangalore

Sir,

Re: the levy of Octroi duty by the Bangalore Corporation on Hand-Loom Silk goods.

We, the President and Members of the Managing Committee of the above Association wish to represent that at the Meeting of the Managing Committee of our Association held on 5-6-52, it was resolved to protest against the recent levy of Octroi duty by the Bangalore Corporation on Hand-Loom Silk goods since the Hand-Loom goods are products of ill-developed cottage industry, the exemption from the levy of Octroid duty existing since several years and since the present levy will hit the Hand-Loom Cottage Industry to a very large extent. It was further resolved that the Members of the Managing Committee of our Association should wait on deputation on the Mayor, Commissioner of the Corporation, Hon'ble Ministers for Local Self-Government and Industries and to urge on the abolition of the Octroi duty entirely.

In this connection, we wish to bring to your kind notice that when the Notification was published in the local newspapers during the month of September 1950 regarding the levy of certain taxes and duties by the Bangalore Corporation with effect from 1-10-1950, the

P.T.O

the said Notification was discussed at the Meeting of the Managing Committee of our Association and it was resolved that the Commissioner of the Corporation may be addressed regarding the following

1. While this Association is urging for the abolition of Octroi duty completely, the Corporation had levied Octroi duty on several new items which were till then free of octroi duty and requests that the octroi duty should be abolished completely.

2. The Hand-Loom silk goods woven with silk are mixture of silk should be exempted from the levy of octroi duty as hithert being exempted.

Accordingly, the Commissioner of the Corporation was addressed by the Secretary of our Association in the matter (vide letter No. 2 50-51 dated 31-10-50) requesting to move the Corporation not to levy duty on any of the new items and to recommend for the complete aboli tion of Octroi duty.

The Secretary, The Mysore Chamber of Commerce, Bangalore, has also since addressed the Commissioner, Corporation of the City of Bangalore (vide letter No. 370/ 52 dated 31-5-52) communicating the decision of the Chamber to protest against the fresh levy in questio and requesting that the Corporation would be pleased to consider the question de novo in the light of the facts stated in his letter and to cancel their order to levy Octroi duty on Hand-Loom products.

In these circumstances, we request you to be so good as to dire the Corporation to cancel their order to levy Octroi on Hand-Loom products .and for the abolition of Octroi duty entirely.

Thanking you,

Yours faithfully,

President.

To
The Mayor,
Bandarawela City Corporation,
Bandarawela

Sir,

I write to state that the Members of this Town Council at a meeting held on 28th May 1952 decided to recommend for the cancellation of octroi duty on the Hand-Loom Products (Cotton and Silk) entering the Corporation limits bearing free seals of the Government Weaving Depots, Ambagamuwa. The Council have resolved to request the Corporation to give rebates to the weaving class only a resolution is enclosed for your reference

In this connection, I wish to bring to your kind notice that the octroi duty rebates being collected by the Corporation on Hand Loom Products (bearing free seals) entering the limits Bandarawela, now it is learnt from the Members of this Town that octroi duty is being collected on the Hand Loom Products bearing the free seals this has caused much inconvenience to the weaving class as a whole and they are experiencing much difficulty. As the matter is very much connected to the Prices of the Hand Loom Products

these days, the weaving class is finding hard to get their livelihood even though they work the maximum number of hours they are finding this levy of octroi is an extra burden to them

Under the circumstances, I request you to kindly consider their case favourably and give them suitable redress

Yours faithfully,

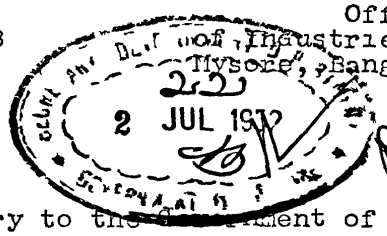
Enc Re



To

The Secretary to the Government of Mysore,
Development Department, Bangalore

Sir,

Sub Exemption of octroi duty on hand-loom products of Cotton, Silk and Wool, manufactured in the State, within the limits of the City and Town Municipalities including the City Municipal Corporation, Bangalore

---

Adverting to letter No A3 Corp 22 Aor 52 dated 22nd May 1952 from the Commissioner, Corporation of the City of Bangalore to the Secretary to Government, Local-Self Government Department and copied to me in the matter of levying the octroi duty on the hand-loom goods within the area of the Corporation as per the Resolution passed by the Corporation, at their meeting held on 28-4-1952, I write to state that Government in their General Order No L 326-38/ML 59-47-74 dated 12-8-1948, have granted the exemption of octroi duty on all the handloom goods manufactured within the State, which are imported into the limits of the City and Town Municipalities, subject to their being certified by the Industries and Commerce Department and have also requested the City and Town Municipal Councils to incorporate this exemption in the taxation rules in force in their respective - Municipalities While the hand-loom weaving industry is still in an un-organised condition inspite of the several concessions afforded by Government from time to time to this hereditary cottage industry and is unable to withstand the severe competitions from the Mills and Power-loom Factories and the hand-loom weavers are groaning under severe economic depression due to the prevalent slump in the market, the resolution of the Corporation has not been welcomed by the weaver population and the several Hand-Loom Weavers' Associations, since Bangalore City is one of the principal marketing centres for hand-loom goods, and a large number of weavers in the District, flock into the City daily for selling their goods and making their living therefrom In this connection, I have enclosed herein, a copy of resolution passed by the Board of Directors of the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Ltd , Bangalore, at its meeting held on 10-6-1952 in my Chambers for the information of Government Since the Hand-Loom Weaving Industry at the present momemt is in need of greater assistance and symoathy from the Government and Local Bodies, the decision of the Corporation to remove the exemption on hand-loom goods from payment of octroi duty has been very untimely In the circumstances, I request that Government may be pleased to ask the Corporation authorities to reconsider their decision in the light of the prevalent economic depression in the hand-loom market and the severe hardships that the weavers are undergoing thereby and to extend the same concession which the industry was enjoying within the City Municipal area of Bangalore prior to its transformation as a Corporation

Sir,

We the undersigned Hand Loom Weavers of Nilamangala Townbeg to represent the following to your kind consideration and favourable orders.

With a view to give encouragement to the Hand Loom Weaving Industry which was facing a serious downfall throughout the State not being able to compete with the power loom and the mill fabrics, Government granted exemption of octroi duty on all Hand-loom fabrics that go to Bangalore City which is the only market for these articles, for the last several years. The Corporation of Bangalore City has with a view to increase the resources of the Corporation decided to levy duty and has been collecting the octroi duty on all Hand-loom goods that go to the limits of Bangalore City for the last one month. In this connection we beg to represent as follows:

The general depression that is facing the country just at present has affected all kinds of business and industry and more particularly so in the case of hand-loom weaving industry. We are really very grateful to Government for the keen interest they are evincing in the development of this Industry which was in a more flurishing condition in this State in olden times. Government is also aware that this Industry is facing a gradual downfall. As a sort of protectio to this Industry and also with a view to give some relief to the weavers, Government were pleased to start Provincial Hand-loom Weavers Co-operative Societies and affiliated Weaver's Co-operative Societies in every Taluk for the

***

Excerpt from the Resolution of the Board of the Provincial Cotton Handloom Weavers' Co-operative Society, Ltd , Bangalore, held on 10th June 1952

Government have in their General Government Order No L 326-38/ H L 594-47-74 dated 12-8-1948 have granted exemption from payment of octroi duty on hand-loom goods manufactured within the State, which are imported into the limits of the Cities and Town Municipalities subject to their being certified by the Industries & Commerce Department and have also requested the City and Town Municipal Councils to incorporate this exemption in the taxation rules in force in the respective Municipalities Inspite of the several concessions granted by Government from time to time, this indigenous cottage industry is unable to withstand the severe competition from the Mills and Power-loom Factories In the light of the prevailing slump in hand-loom products, the resolution of the Corporation to levy octroi duty on hand-loom products is not propitious The hand-loom industry is at the present time in greater need of assistance both from Government and local bodies Even smaller local bodies like the City Municipal Councils and the Town Municipal Councils are granting exemption It is therefore very necessary that the same concession for the sale of hand-loom products is extended by the Corporation authorities to reconsider their decision in the light of the prevailing economic depression in the handloom market and the severe hardships the weavers are undergoing thereby, and to continue the exemption from the levy of octroi as hitherto

M Aurifulla Beccai),
For Director of Industries & Commerce,(Textiles)

R1)

distribution of raw materials to the weavers at reasonable rates. But these relief measures were not of much help to the weavers of late owing to rapid fluctuation of prices of these raw materials. This is quite evident from the fact that the Provincial Weavers Co-operative Societies which had undertaken the distribution of raw materials have undergone very heavy loss and their functions have come to a stand still.

The only market for the finished hand-loom fabrics is Bangalore City. Hence the weavers from the rural areas from all parts of the State will have to be going to Bangalore frequently with their goods to find market and to purchase raw materials. It is an undisputed fact that the weavers are undergoing very heavy loss on account of the general depression that has affected this Industry, and they have not been able to realise even the cost of raw materials, let alone the wages and consequently the question of their existence itself has become a serious problem which is engaging the attention of the leaders of the community. The Government are also aware of all these facts and representations have been made in this behalf from time to time. When such being the present condition of the weavers it is a pity that the Corporation have thought of leavying octroi duty on hand-loom fabrics, the exemption on which was sanctioned by Government from time immemorial on well considered grounds. Hand Loom Weaving is one of the most prominent cottage industries in the State and the decision of the Corporation to make money at the cost of prominent cottage Industry must be discouraged. The sudden imposition of the octroi duty on these fabrics has been a shock among the poor weavers throughout the State, specially at a time like this when this industry is facing a very serious depression.

===

We understand that the question of continuing the concession of octroi duty on hand loom fabrics as before is again under the consideration of the Corporation, but the matter is being delayed to the serious detriment of the weavers class. If for any reason the corporation of the City of Bangalore cannot continue this concession as before with immediate effect, only two alternatives are left to the poor weavers. They should either leave off the Industry once for all or migrate to Bangalore City from the other parts of the State for residing permanently. Many of our present difficulties such as shortage of food cloth etc., are mostly due to overcrowding of cities and the policy of Government has always been to discourage over-crowding of cities and to create facilities for - settling in villages.

We have also separately represented the matter before the Corporation for reconsideration of their decision.

In the circumstances we earnestly request that the Government be pleased to interfere with the situation and direct the Corporation to exempt the Hand Loom Fabrics from payment of octroi duty as before.

We trust that this representation would receive the sympathetic consideration of Government.

We remain,
Sir,
Your most faithfully,
(Weavers of Nelamangala Town.)

We the undersigned Hand Loom Weavers of Nelamangala Town beg to represent the following to your kind consideration and favourable orders

With a view to give encouragement to the Hand Loom Weaving Industry which was facing a serious downfall through out the State not being able to compete with the power loom and the mill fabrics, Government granted exemption of octroi duty on all Hand-loom fabrics that go to Bangalore City which is the only market for these articles, for the last several years The Corporation of Bangalore City has with a view to increase the resources of the Corporation decided to levy duty and has been collecting the octroi duty on all Hand-loom goods that go to the limits of Bangalore City for the last one month In this connection we beg to represent as follows

* Hand loom weavers Nelamangala Town request that the Bangalore City Corporation may be suitably instructed not to levy octroi duty on hand loom goods within the limits of the Bangalore City

27/6/52

The general depression that is facing the country just at present has affected all kinds of business and industry and more particularly so in the case of hand-loom weaving industry We are really very grateful to Government for the keen interest they are evincing in the development of this Industry which was in a more flurishing condition in this State in olden times Government is also aware that this Industry is facing a gradual downfall As a sort of protect to this Industry and also with a view to give some relief to the weavers, Government were pleased to start Provincial Hand-loom Weavers Co-operative Societies and affiliated Weaver's Co-operative Societies in every Taluk for the -

===

distribution of raw materials to the weavers at reasonable rates But these relief measures were not of much help to the weavers of late owing to rapid fluctuation of prices of these raw materials This is quite evident from the fact that the Provincial Weavers Co-operative Societies which had undertaken the distribution of raw materials have undergone very heavy loss and their functions have come to a stand still

The only market for the finished hand-loom fabrics is Bangalore City Hence the weavers from the rural areas from all parts of the State will have to be going to Bangalore frequently with their goods to find market and to - purchase raw materials It is an undisputed fact that the weavers are undergoing very heavy loss on account of the general depression that has affected this Industry and they have not been able to realise even the cost of raw materials, let alone the wages and consequently the question of their existence itself has become a serious problem which is engaging the attention of the leaders of the community The Government are also aware of all these facts and representations have been made in this behalf from time to time When such being the present condition of the weavers it is a pity that the Corporation have thought of leavying octroi duty on hand-loom fabrics, the exemption on which was sanctioned by Government from time immemorial on well considered grounds Hand Loom Weaving is one of the most promient cottage industries in the State and the decision of the Corporation to make money at the cost of prominent cottage Industry must be discouraged The sudden imposition of the octroi duty on these fabrics has been a shock among the poor weavers throughout the State, specially at a time like this when this industry is facing a very serious depression

===

We understand that the question of continuing the concession of octroi duty on hand loom fabrics as before is again under the consideration of the Corporation, but the matter is being delayed to the serious detriment of the weavers class If for any reason the Corporation of the City of Bangalore cannot continue this concession as before with immediate effect, only two alternatives are left to the poor weavers They should either leave off the Industry once for all or migrate to Bangalore City from the other parts of the State for residing permanently Many of our present difficulties such as shortage of food, cloth etc , are mostly due to overcrowding of cities and the polic of Government has always been to discourage over-crowding of cities and to create facilities for settling in villages

We have also separately represented the matter before the Corporation for reconsideration of their decision

In the circumstances we earnestly request that the Government be pleased to interfere with the situation and direct the Corporation to exempt the Hand Loom Fabrics from payment of octroi duty as before

We trust that this representation would receive the sympathetic consideration of Government

We remain,
Sir,
Your most faithfully,
Weavers of Nelamangala Town

SIR,

SUBJECT - EXEMPTION OF OCTROI DUTY ON HAND LOOM FABRICS
REFERENCE - CORRESPONDENCE ENDING WITH THIS OFFICE LETTER No A3/5/36/52-53 dated the 18th June 1952

I write to state that after passing of the resolution by the Corporation on the 28th April 1952 against the grant of exemption of Octroi in respect of hand-loom goods as reported in my letter No A3/Cop 22 April 52 dated the 23rd May 1952, action was taken to enforce payment of Octroi on these goods with effect from 21st May 1952. Thereupon vollies of protests began to pour in from the various Associations and merchants dealing in such goods pointing out ~~house~~ how this cottage industry which is encouraged by the Government is bound to suffer by such levy of octroi and how it has to suffer a lot of other hard-ship etc , etc , In this connection copies of letter No Tex C1-72 52-53 dated the 1st July addressed by the Director of Industries in Mysore to the Secretary to the Government Development Department were received by me and the Mayor for reconsidering the Corporation's resolution and to continue to extend the concession so far enjoyed by the industry Besides this Sri K M Naganna and 15 other Councillors moved for calling for a special meeting of the Corporation to consider this very imporatn subject. The special meeting of the Corporation was hled on 7th July 1952 and the Corporation, then, resolved that on and from 8th July 1952 the octroi duty on hand-loom goods manufactured in

P T O

in Mysore State and certified by the weaving demonstrators as such, be not levied (vide copy of the Resolution enclosed)

On a careful scrutiny of the receipts of Octroi on these goods from 21st May 1952 it is observed that by foregoing duty on these goods, the loss to the Corporation per month will be only about Rs 1,500/-

I request that the Government may be pleased to accord sanction to the resolution of the Corporation at a very early date under section 98 (3) of the Corporation Act

In view of the consensus of opinion in the matter and in anticipation of sanction of the resolution by the Government, I have issued instructions to stop levying of duty on Hand-loom goods which may also kindly be approved

FORWARDED WITH COMPLIMENTS

B V Lankappa

RESOLUTION PASSED AT THE ADJOURNED SPECIAL MEETING OF THE CORPORATION OF THE CITY OF BANGALORE, BANGALORE, HELD ON MONDAY THE 7TH JULY 1952

Sri V K Govindarajalu moved the following resolution -

Whereas by a resolution of the Corporation, dated 28-4-52, Octroi duty was levied on handloom goods and whereas under the old Municipalities Act, the said duty was not being levied on handloom goods manufactured in Mysore State and certified as such by the weaving demonstrators and whereas subsequently it has been brought to the notice of the Corporation and the Corporation is also convinced that the levy of octroi duty on such goods affects the growth of handloom industry and whereas the Corporation is of the opinion that Cottage Industies should be encouraged, it is resolved that on and from 8-7-1952, the octroi duty on handloom goods manufactured in Mysore State and certifed by the weaving demonstrators as such, be not levied "

Sri K M Naganna seconded the resolution and it was passed unanimously.
